

Pot Shots at *Studio*101

*Studio*101 is a great place to take your group for a fun, educational and inspiring event. We offer parties of hand-built pottery making for groups of up to 20 adults. Hand-building (by the way) means sitting at a table with some clay and hand tools to make things. It is generally easier and more social way to create, so we recommend it for parties.

This is an opportunity to come in and get a taste of the pottery experience. You can try a one time reasonably priced play-time pottery experience! Take a Pot Shot with your honey or bring a couple friends and a bottle of wine, then get your hands dirty.

Anniversary Party + Class Party + Birthday Party + Charity fundraiser
Corporate team-building + Bachelorette Party + Hobby or interest group
Squadron Party + Networking Social + Singles mixer + Holiday Party
Date night + Girls night out

We'll have everything setup for you. If you wish, time and space will be allowed for you to bring and enjoy refreshments. When everyone arrives we do a brief studio orientation and once everyone is settled, the demonstration will begin. Student Artists will be guided thru each step of the process. Everyone will create a unique piece of pottery that is dishwasher, microwave, and oven safe.

Please keep in mind this is a "wet clay" studio, and so the work created at the party must dry out, be fired, glazed, and fired again after you leave. The work made at the party will be ready for pickup about three weeks later.

Please call 334-549-0292 to discuss your needs/ideas and reserve a time. The all inclusive class includes instruction, clay, glazing, and firing. Tools are provided. For Private Parties, it is generally best to reserve at least two weeks in advance. Pot Shot Adult Night is scheduled once a month, call for schedule. All parties require an advance reservation and Payment in Full, and adult class nights are for adults only. Fee, \$85 for first two students and \$35 for each additional student.

*Studio*101 is a working studio. Please do not touch work that is not your own.

Refunds and Cancellations

Cancellations made two weeks prior to the scheduled event will receive a 50% refund or may be rescheduled.
