

Pot Shots at *Studio*101

*Studio*101 is a great place to take your group for a fun, educational and inspiring event. We offer parties of handbuilt pottery making for groups of up to 20 adults. Handbuilding (by the way) means sitting at a table with some clay and hand tools to make things, and it is generally easier and more social, so we recommend it for parties.

This is an opportunity to come in and get a taste of the pottery experience. You can try a one time reasonably priced play-time pottery experience! Take a Pot Shot with your honey or bring a couple friends and a bottle of wine, then get your hands dirty.

Sunday School Class + Birthday + Charity fundraiser + Corporate teambuilding
Bachelorette Party + Hobby/interest group (cooking, book, etc.)
Squadron Party + Networking Social + Singles mixer
Neighborhood / Block party + Girls night out

We'll have everything setup for you. Your group arrives and chats over food and beverages (bring your choice). When everyone arrives we do a brief studio orientation and some demonstrations. Student Artists then roam about our studio, kiln rooms, gallery, and library, looking for a fun idea. We consult with everyone on their project and the best approach, answer questions, and make sure everyone is on track. Everyone will create unique pieces of pottery that are dishwasher, microwave, and oven safe.

Please keep in mind this is a "wet clay" studio, and so the work created at the party must dry out, be fired, glazed, and fired again after you leave. The work made at the party will be ready for pickup several weeks later.

Please call 334-549-0292 to discuss your needs/ideas and reserve a time. The all inclusive class fee, \$35 per person, includes instruction, clay, glazing, and firing. Tools are provided. It is generally best to reserve at least two weeks in advance. All parties require an advance reservation and Payment in Full, and are for adults only.

*Studio*101 is a working studio and there may be other artists present in the studio during the Pot Shot Event.
